## TRANSPORTATION

### EMIL OPEN - ARRIVALS AND DEPARTURES

The transportation coordinator has contacted you to request that you complete a complete transportation form during the event. In the form you filled in complete transport information, whether you need a **transfer from the place of arrival** (e.g. from the main train or bus station) **to your accommodation or transport to the sports ground**. **If you have not confirmed the need for a transfer by the deadline of 13 June, you will automatically be deemed to have arranged the transfer yourself.**

If you have confirmed the need for a transfer with the transport coordinator, the **coordinator will be waiting for you at the time of your arrival**. You will recognize him by the sign with the inscription EMIL OPEN. The coordinator will take you to the bus stop to take you to your accommodation. Transportation will be by shuttle.

**An accommodation coordinator will be waiting for you in all accommodation complexes.**

Shuttle and bus times to your accommodation are arranged according to the times you have indicated on the form. **If your actual arrival time differs from the time stated on the form, please report it immediately to [transport@emilopen.cz](mailto:transport@emilopen.cz). The organizer does not guarantee the provision of transport in case of incorrect information in the registration form or non-communication in case of delays.**

You will again be able to use one of the shuttle buses (at times when most of you are leaving) to get back home from Emil Open (from the hostel to the departure point). Please contact the transport coordinator if you wish to use this option. Alternatively, you can travel individually by public transport free of charge (with your accreditation card).

### TRANSPORTATION DURING THE GAMES

Transfers to and from the sports venues and to the organized accompanying program from the accommodation will be arranged by the organizer in cooperation with DPMB. Information about departure times will always be placed at least one day in advance on the information stands (EMIL POINT) of each accommodation facility. Coordinators will also be available for transfers.

For the entire duration of the games, you will also have **free transport by public transport in the city of Brno**, which you can use in your individual program. **In case of inspection, you prove yourself with your accreditation card.**

## IMPORTANT INFORMATION

- Each participant will be given an accreditation card upon the registration for the games, which will take place at the hotels upon arrival.
- You must have an accreditation card with you at all times during the games and identify yourself with it in hotels, sports grounds when serving food and in transport. You can also use it during the accompanying programme.
- Suppose you did not meet the deadline 18th June for the delivery of signed liability releases and photo documentation consents for your entire team (including accompaniment), it is desirable that you deliver these documents during registration!  
**Without signed documents the participant will not be issued an accreditation card!**
- Each delegation must send a representative to the technical meeting on 21st June around 17:00 (more info in the Sports section) to collect all important information. If you are the only accompaniment of an athlete, he/she/they can accompany you.
- Within the city of Brno, in addition to the transport organised by us, you can move by public transport free of charge based on your registration card. To find transport, we recommend the app IDOS.
- Breakfast and dinner are served at your accommodation, see accommodation.
- Lunch snacks will be issued on 22 and 23 June only at the sports ground where you are registered, between 11:30 and 13:30 in a designated area.
- Lunch snacks on 21 and 24 June are issued at the information booth in the Palacký Hotel (building A02) immediately after breakfast.
- Accommodation coordinators address your requirements and provide you with all the information regarding accommodation, transport, sports facilities and the accompanying program.
- For the opening ceremony at Špilberk Castle, the participants of each organization should wear the same clothing - either Emil Open T-shirts or the uniform of the delegation (T-shirt, sweatshirt, etc.). In case of interest, it is also possible to bring a banner with the name of the delegation/club or its flag (ATTENTION, not the state flag!). **We repeat that the opening ceremony will take place at Špilberk Castle at 16:00!**
- For the safe course of the games, it is necessary to obey:
  - the set of rules of this manual,

## GENERAL INFORMATION

1. **Language** - Czech, English
2. **Target group** - youth with a physical, intellectual, visual or hearing impairment from 10 to 26 years old (athletes must be of this age at least one day a year)
3. **Sports** - Athletics, Swimming, Boccia, Bocce, Table tennis, Archery, Cycling
4. **Format of competitive sports:**

### OPEN

- supports and motivates beginners
- is open to everybody – sport beginners or advanced athletes) regardless of whether or not they are registered in a sport club or a national or international federation.
- by submitting the entry, you acknowledge that the athlete is eligible in terms of health and has some training experience in any kind of sport competitions in the given sport
- **assessment** (Athletics, Swimming) – the principle of relativity will be used. It is based on the assessment of current performance in relation to the individual participant, which allows to achieve adequate assessment in each category. The assessment criterion is approaching, achieving or surpassing one's own results from qualifications in the finals. Each participant who completed the qualifying race advances to the finals. **All competitors who passed the qualification rounds will advance to the finals the following day.** The final groups will be formed according to the actual result. A more detailed explanation for each sport according to the maximum effort rule in qualification and finals will be explained for each sport at the technical meeting. The final standings will be decided by the result in the final.
- **awards** – During the medal ceremony, all participants in the finals will be awarded a given type of medal for having complied with the maximum effort rule, which is 15% of the difference in performance between qualification and the finals.

### MIXED

- **supports inclusion** of people with disabilities
- the condition of participation is enrolment in the OPEN format in the given sport
- it shall be noted in the entry system whether an athlete will compete with their own able-bodied staff or will accept a sport partner from organizer's volunteers
- **awards** – during the medal ceremony all participants will be awarded with a participation medal

5. Every athlete is allowed to **complete in one sport only**

6. Each athlete participates in **demonstration sports** based on his/her own decision and time availability.

7. **Athletes and their staff are required to get familiar with the sport rules** and to comply with them, including their adherence to the timetable, the arrivals at sport venues etc.

8. **The transport** from the accommodation to the sport venues will be provided by the organizer. The specified transport timetable shall be followed. In the case of your own transport to the sports ground, it is necessary to be on time to the sports ground.

9. Obligatory attendance at the **coach and staff technical meeting** (21st June), where delegations' representatives will be provided with all necessary instructions in the particular sport. Every delegation should send as many representatives as is the number of sports they are participating in. The meeting place will be specified.

10. For organisational and safety reasons, only registered athletes and their staff (including assistance dogs) have access to the sport venues. The athlete and the accompaniment must present their accreditation card.

11. Athletes are required to compete with their **own sport equipment** (wheelchairs, racing chairs...) or **compensatory aids**, if it is a prerequisite for competing in a particular sport.

12. The **timetable for each competition** will be announced:

At the technical meeting (21st June 2023)

Further according to the schedule of the sport

## TECHNICAL ADVICE

It is necessary to follow one's own lane, in 400 m race (walking and wheelchair users) are also required to follow their own lane, 800 m race goes directly to boards. A participant has 2 warming up attempts and 3 measured attempts in field competitions. If all the qualification attempts are invalid, the participant advances to the finals where organiser decides on the placement in the final group.

**Notice for coaches/accompanying persons:** Coaches are responsible for a timely athletes' check-in (after the warm-up) at the call room (10-15 mins before the discipline). Coaches do not have access to the call room or track and field.

**Note:** The relativity principle and the maximum effort principle used in the **OPEN** category (not in the championship), when the assessment criterion is overcoming one's own results, is not very common. That is why it will be explained in more detail at the technical meeting in the evening preceding the competition.

The organiser reserves the right to change or modify the Athletic rules if it is necessary for maintaining fair play.

competition for 100m). The qualification results constitute the criterion for inclusion in the final groups. Each contestant who completed the qualification participates in the finals. The finals will take place the following day – 23rd June from 10.00 am to 3 pm.

**Assessment:** **OPEN** format - see General information

**Rules:** The competitions follow the FINA rules, excluding: it is possible to start from the starting block or from the water. The start of the competition is signalled by a whistle, for deaf athletes by a flag.

**Note:** The relativity principle and the maximum effort principle used in the **OPEN** format (not in the championship), when the assessment criterion is overcoming one's own results is not very common. That is why it will be explained in more detail at the technical meeting in the evening preceding the competition.

The organiser reserves the right to change or modify the Swimming rules if it is necessary for maintaining fair play.

**Games system:** **OPEN + MIXED** – One game lasts for 15 minutes on a one-on-one basis. Game that is not finished will not be interrupted.

**Assessment:** **OPEN** format – is based on the sum of the results of both players as a team. All finalists are awarded medals for 1st-3rd place

**MIXED** format – is based on the sum of the results of all 3 players as a team. The ranking of all participants in the participant medal.

**Short rules: OPEN** format

1. Teams choose color of ball and vest (green or red)
2. The referee throws the coin – the winner has a pallina and chooses the color
3. Throwing of the pallina and the first ball (max. 3 attempts – player has to throw it between the half-line and the line 3 metres from the end of the pitch); 3x failure – the opponent's turn; next fail – the judge places the ball on a line 3 m from the end)
4. Players must not cross the throw line
5. A yellow ball (pallino) can be moved around the pitch by other balls thrown
6. The color that has the balls farther from the pallina throws (the judges show the players the flag with the same color as the team balls)
7. When all balls are thrown, in the next set the winner throws the pallina
8. When all the balls have been thrown and both of the colors are at the same distance from the ball – the points are not assigned
9. If the two colors are at the same distance from the pallina during the game – the one who threw the last continues
10. Players can play in any order, except for the one who threw pallin, who must then throw his ball first

**Fouls:**

- 1) Crossing the foul line
- 2) In case someone throws their own color when their opponent is to play – if the other balls that have already been thrown do not move, the color is left on the pitch, if they move, they must be returned to their original position. If they can not be returned – dead game.

**Points allocation:**

WINNER 2 points, DRAW 1 point, DEFEATED 0 points.

If two or more teams have the same number of points, their positions on table will be decided according to their cross matches. If their cross match was draw, better score will decide.

**Note:**

The organiser reserves the right to change or modify the Bocce rules if it is necessary for maintaining fair play.

## BOCCIA

Competition director: Radek Procházka

**Name:** Boccia Emil Open 2023

**Date:** 22nd – 23rd June 2023; 22<sup>nd</sup> (09AM – 06PM), 23<sup>rd</sup> (09AM – 02PM)

**Place:** Sports hall, Faculty of Sport Studies MU, Kamenice 5, 625 00 Brno-Bohunice

<http://www.fsps.muni.cz/pronajmy/?page=facility>

**Sports hall:** The venue has 5 competition courts with a wooden court floor. There will be a warm-up area with 3 courts. The venue is equipped with changing rooms, relax areas (possible to lay down), showers (will be equipped with shower chairs) and an accessible toilet.

**Capacity:** 48 players

**Categories:** The competition is open for categories BC1, BC2, BC3, BC4

No official classification is needed. It is up to each player (their coach, doctor, boccia referee, etc.) to **“classify” themselves and enter a category according to their disability**. If necessary, an referee will re-classify them at the venue prior to the start of the competition and will relocate them to the appropriate category. **However, the competition is open only for players from 10 to 26 years old.**

**BC1** - In this division, players classified as CP1 or CP2 within the Worldboccia classification compete. Players may be assisted by one sports assistant who must remain in a designated area behind the throwing box. These assistants perform tasks such as: adjusting or stabilizing the playing cart, passing the ball to the player, rolling the ball (getting the desired shape).

**BC2** - In this division, players classified as CP2 in the Worldboccia classification compete. Players cannot have a sports assistant during the game. Players may request an assist from an umpire during their playing time, only to hand them a dropped ball or when entering the court.

**BC3** - In this division, players with very severe motor dysfunction of all four limbs, which is of cerebral or other origin, compete. Players are unable to operate a wheelchair and are dependent on the assistance of an assistant or an electric wheelchair. Players are unable to exert a sustained grip and therefore use assistive devices. Each player is allowed an athletic assistant who remains in the throwing box, but must remain with their back to the playing area of the court and with their eyes averted from their own game.

**BC4** - This division includes players classified according to Worldboccia rules as BC4 - non-pasty disabled and BC4 players playing with their feet. Players cannot have a sports assistant during the game. Players may request assistance from an umpire during their playing time to hand them a dropped ball or when entering the court.

**Games system:** Participants play in their Games Category. Depending on the number of entries the all-play-all tournament or the tree tournament will be chosen. Every player will be able to warm up on the warm-up courts. They will be open 75 minutes before each game.

**Every player is required to come to the Call Room 30-15 minutes before each game. If they fail to show up, the opponent will receive a walkover, see the Worldboccia's Rules of Boccia.**

### Technical meeting:

On 21st June 2023 there will be a technical meeting of the teams' delegates with the boccia director, main referee and venue coordinator. Each team's delegate will register their team for the competition, will be confirmed their players' categories and given the bibs. The time and place of the meeting will be announced.

**Assessment:** The best 3 players of each category will be awarded with a medal.

**Rules:** The competition follows the Worldboccia's Rules of Boccia that can be downloaded here: <https://www.worldboccia.com/about-boccia/rules/>. The players' equipment will not be checked during the competition. We do believe the players will have all equipment in accordance with fairplay. No sport classification is needed for this competition.

**Equipment:** Suitable clothes and **shoes (leaving no marks, white sole) also for the staff**; spare clothes to put on after the competitions. The player is requested to wear a jersey during the competition (both in the warm-up area and call room) along with the BIBs and accreditation. If they fail to have any of these, they will not be allowed to compete. **A minimal requirement for a jersey is a T-shirt with the name of the organisation and state the player is from.**

**Note:** The organiser reserves the right to change or modify the Boccia rules if it is necessary for maintaining fair play.

If the player does not bring their own balls, it will be possible to borrow them in the warm-up area for each game.
